PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

Ripon CIC (Known as Ripon Together) was set up to make Ripon an even better place to live, work and visit. Its aim is to enhance the community, economic and environmental sustainability of Ripon by bringing the many people and bodies in the city together to deliver much greater benefits than might be achieved with each party acting alone. Ripon Together is chaired by the Dean of the Cathedral, the Very Reverend John Dobson.

Ripon Together is increasingly being seen as an organisation that can make a useful contribution on issues affecting Ripon, as it can give a considered view from the various sectors it represents. During the year Ripon Together played a key part in two important local authority led initiatives - the Local Walking and Cycling Infrastructure Plan and the Ripon Renewal Project.

The latter is designed to take forward the City Plan to set out a masterplan for each area of the city. It therefore needs to make proposals on highways and pedestrian access and a key objective of Ripon Together has been to ensure that that work and the separate work on cycling and walking infrastructure is closely coordinated.

In addition Ripon Together delivered two new initiatives – the Summer of Play and the walk from the cathedral to Fountains. Both were different responses to covid.

The summer of Play recognised that young people had experienced a lot of dislocation and disruption and that the organisations that provided sports and other opportunities to those children had either not been operating or had been operating at reduced capacity. The Summer of Play was designed to provide free activities for children which would enable them to re-socialise with their cohort and re-engage them with local clubs etc.

The walk to Fountains happened in September to replace the Boxing Day pilgrimage. As singing carols would be inappropriate in September we used the opportunity to lay on local cultural entertainment at Fountains, including the City Band, the Morris and the Mummers.

At the year end the CIC had 158 members.

All members receive news updates with information on activities underway and opportunities to get involved. The consultations are fed into the plans of Ripon Together.
